

COX | McLAIN
Environmental Consulting

Title: Staff Ecologist

Firm: Cox|McLain Environmental Consulting, Inc. (CMEC)

Location: Austin, TX

Job Description: CMEC is seeking an energetic, self-motivated, and resourceful Texas ecologist to join our team. Duties may include planning, implementing, and personally conducting biological surveys (for migratory birds, threatened/endangered species) and habitat assessments, vegetative assessments (knowledge of Texas species a must), assisting in wetland delineations, client and resource agency coordination, and preparation of environmental documents (primarily technical reports and environmental assessments for USACE, TPWD, TxDOT, and USFWS review) for projects throughout the region. Compensation will include a competitive salary and benefits package (health, vacation, profit sharing, etc...).

Qualifications: Successful applicants will possess an MS/MAG in wildlife biology, rangeland ecology or a closely related natural resource field, or a BS and at least 2 years of relevant/consulting experience. Also required is an overall dedication to excellence; strong writing skills; a strong work ethic with a demonstrated ability to work independently; and solid field skills including the ability to navigate using aerial maps. Familiarity with ArcGIS, NEPA compliance, and prior consulting experience are preferred. A valid drivers license is required.

If you are interested in a challenging and rewarding opportunity with a growing firm, please e-mail (PDF or WORD) a cover letter, resume, and contact information for three references to info@coxmcclain.com . CMEC is an Equal Opportunity Employer.
